Course Overview

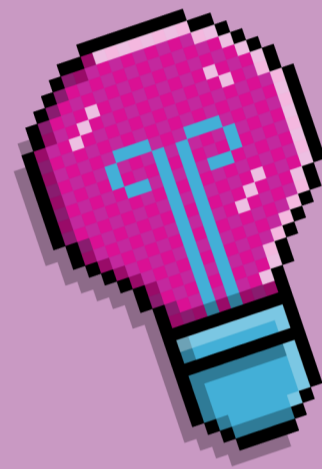

Unlock Your Potential with Our Expert-Led Courses

Are you ready to transform your training delivery skills? Our two-day course is designed just for you.

Face-to-Face Delivery at Your Convenience

We'll help you transition from avoiding training delivery to confidently taking centre stage. With sessions limited to just eight delegates, you'll receive personalised attention to boost your confidence and ensure you can present with clarity and conviction.

What You'll Learn:

- **Develop Training Programmes:** Create effective and engaging training plans.
- **Deliver Effective Training:** Master the art of impactful training delivery.
- **Assess Learner Performance:** Evaluate and enhance learner outcomes.
- **Train and Develop Colleagues:** Adopt a culture of continuous improvement.
- **Utilise Learning Aids:** Leverage tools to enhance learning experiences.
- **Engage Participants:** Learn tricks of the trade to effectively interact with various personalities and learning preferences.
- **Coaching Conversations:** Bring out the best in your learners through effective coaching.
- **Explain the Benefits of Training:** Communicate the value of training to stakeholders.
- **One-to-One and Small Group Training:** Tailor your approach for different settings.
- **Use Visual Aids:** Enhance learning with effective visual tools and how to make the most out of your flip chart.
- **Overcome Training Barriers:** Identify and address common obstacles.
- **Handle Questions and Feedback:** Practice responding to queries and providing constructive feedback.

And much more!

Disclaimer: You will need to present during this course! But don't worry, we'll help you develop your skills. Just remember, there's no hiding at the back of the training room... no shiny certificate without participation!
